[www.adedaaas.com](http://www.adedaaas.com)

# **WEST AFRICAN AIR CHARTER GIANT, OFFERING A RANGE OF SOLUTIONS FOR YOU AND YOUR INDUSTRY SECTOR.**

1

AT THE CORE OF EVERY FLIGHT...

## **EXPERTISE**

Our dedicated team go above and beyond to create personalized flights around you for a seamless experience.

## **SAFETY**

We continue to set the benchmark for safety in aviation.

## **TRUSTED**

Founded in 2018, we have more experience than many other provider. So you can trust you're in safe and reliable hands.

# OUR SERVICES

**group  
flights**

**charter**

No matter the size of the group or the destination, we can provide custom aircraft charter solutions to match your requirements.

Fly to your own schedule and we will take care of the details.

## Groups of any size

Every group is unique and our team will work with you to ensure that your charter flight is a success.

Whether you are looking to charter your group from A to B or a complex shuttle program, we have experience across every industry and access to wide variety of aircraft providing you with an end-to-end service to ensure the smooth running of your flights.

## The best way to travel with your group

- Fly flexibly to your own schedule and your we look after the details
- Access more airports closer to your destinations
- Personalized service working with your budget
- All of your flights are supported by our 24/7 team
- Make your journey a memorable occasion with custom branding options

## Custom Services

Take your flight to a new extraordinary level with our range of personalized services. On the ground and in the air.

Create the "wow" factor and elevate your brand during your flight through our detailed branding options available to you. Brand the exterior of the aircraft, customize the headrest covers, or tailor the in-flight entertainment — the choice is yours.

You have the flexibility to decide what you or your guests feast on during your flight. We work with you to curate a special menu for your guests, including any special dietary requirements. The choice is limitless.

You will have the option to access private terminals and lounges globally, allowing you to host your guests in privacy and all together before you fly. If you are planning larger events, we can help with check-in, luggage, and pre-flight catering.

For flight arrangements on an ongoing basis or as a one-time charter, we can customize a unique flight program according to your group's schedule and requirements.

We can customize entire flight programs to your group's requirements and business schedule. Corporate air shuttles are ideal for 30 to 100 passengers and regularly scheduled flights or mission-specific air charter for employee travel.

With our corporate shuttle flight program, you can charter aircraft to accommodate your business schedule and plans:

- Round-trip flights for groups on a regular basis without regular scheduled service.
- Flights for groups going to and from multiple cities.
- Alternative flight arrangements during travel disruption and peak season.
- Domestic, international and offshore flight arrangements

- Flexibility of scheduling — one-time charter or regularly scheduled flights.
- Specific routing availability and complex arrangements.
- Access private terminals & FBOs.
- Large coverage with local experience and dedicated team, 24/7 support.

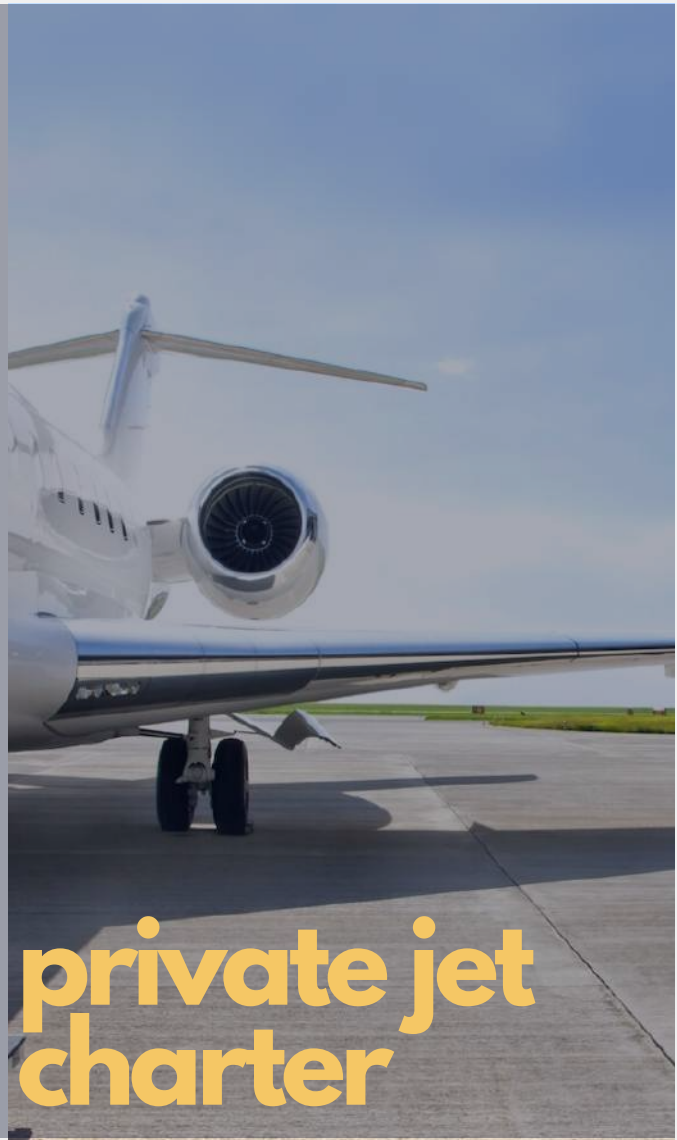

We work across every industry, handling your complex travel logistics, detailed aircraft customization and any on-board preferences. With our experience in business aviation, we are able to uphold strict flight procurement requirements according to any corporate specifications and travel policies. Our team is dedicated to handling every aspect of your flights so you and your employees know what to expect.

A white private jet is shown in flight, banking to the left. The background features a tropical landscape with lush green mountains, a sandy beach, and turquoise water. A large, semi-transparent circular graphic is overlaid on the right side of the image, containing the text.

## Aircraft Sales and Leasing

Acting for airlines, banks, lessors and other aircraft owners to help sell or lease any surplus commercial jets, turboprops, helicopters, or corporate jets, in addition to providing aircraft acquisition support and 24/7/365 ACMI leasing service to airlines.

## Aircraft Sales

Our team will take care of the sale of your aircraft, navigating and advising you through the process to ensure you get the best price. We will proactively remarket your aircraft to an extensive network and make use of our worldwide database of owners, operators, and lessor customers. Operating on a global scale, our large network of contacts means we have built strong relationships in each region and created a reputable international name in the industry.

## ACMI

Whether you have a short-term program recovery challenge or are in need of a longer-term leasing solution, our team is on hand to help. Offering a flexible approach with unrivaled expertise, our team are on hand to guide you through the process. We maintain a comprehensive database to keep pace with an ever-changing market, to ensure that options can be quickly converted to a solution to meet your requirement.

## Air Evacuation

Your safety is our priority and during increasingly turbulent times, duty of care to employees has become paramount. To safeguard your people, we offer you contingency planning contracts for an air emergency evacuation that allows you to plan for the unexpected.

## Peace of Mind in times of crisis

We provide contingency planning for air evacuations that dovetail into your existing plans, or we will create stand-alone contracts that can be implemented immediately by our 24/7 dedicated response team. No two plans are alike, and each is unique to your business. With direct access to various security and medical contacts throughout the industry we can provide firsthand intelligence. With a network of contacts on the ground throughout the world, such as ground handling agents at scores of airports, experienced pilots and non-governmental organizations, we are ready to go at a moment's notice.

## Rescue Flights

When it comes to provide the suitable mean for a rescue at sea or at an oil rig, we know how to handle it.

- Our team is very capable of handling such a kind of operations with ease and professionalism.

Thanks to our network of experienced pilots and crew in rescue operations, our company can sort out your rescue flight fast and safely.

We understand that time is crucial in this type of operations, that is why our people dedicate entirely themselves when rescue flights operations land on our desks.

## Offshore flights

The unique way to travel fast from onshore to offshore is the helicopter.

Our people have been in touch with providing helicopters to a few large oil companies in Africa for crew changes, ad-hoc flights with standby options, medical evacuation, etc....

We can provide you with the helicopter you want and your job will be perfectly delivered.

Our services range across a number of different industries, and we ensure that our teams are specialists in your field to provide you with the best service.

## On time, every time

Experts on projects of any size and tight turnarounds. We get your people and cargo where they need to be.

We understand the logistical intricacies involved in your everyday operations:

Crew rotations: Operational efficiencies with fixed wing aircraft charters, working around the parameters of your project, flying any number of passengers.

- Freight: Oversized, hazardous, or highly urgent we are experienced in delivering to challenging locations.
- VIPs: Access to private jets & helicopters, enabling senior executives to reach any destination on time.
- Air Evacuation: Contingency planning contracts.

# corporate travel

We work with businesses across the globe, ranging from ad hoc flights for small companies to customizing an entire flight solution for large corporates. We have dedicated air charter specialists who are experienced in working closely with and understand the particular challenges and intricacies of each industry sector.

# why fly with us?

46

- **Reliability** - We specialize in providing a reliable service. Whether that's a last minute change of plan to your schedule or ensuring a plan B is always in place, we are good in personal and reliable group charter for business.
- **Experienced professionals** - We aren't an online platform, we are a team of professional charter broker. We have a global network of trusted partners to ensure we always find the right solution for you.
- **A tailored solution** - We are trusted by large corporates across all industry sectors and we will work with you to create a tailored flight solution that fits your company's needs.

We've thought of everything - We provide all flying services in one place. Whether you are flying a small group of directors, a large team of people or even transporting goods.

We put you first - We are available 24/7/365 and we will work closely with you to understand the requirements and preferences for each flight, managing every detail from your booking to touchdown at your destination.

A man in a blue suit is seen from the back, holding up a smartphone to take a photo of a stage. On the stage, a man in a grey suit is speaking at a podium. Behind him is a large screen displaying the text 'BIZAV TALKS' and 'Inf | W | @ | #'. The stage is decorated with yellow armchairs and a red sign. The audience is seated in white chairs, and some people are wearing hats. The overall atmosphere is professional and high-tech.

## getting you there is the main event...

Make your charter flight one to remember. Whether a small meeting or a large-scale event, we have a range of solutions to match your requirements. You have the option of a dedicated private aircraft for groups of all sizes or flying with scheduled services.

- Product Launches & Press Events: Create a unique event experience where your brand takes center stage at the airport and on the flight.
- Meetings: Business meetings or events planned in advance or at short notice.
- Incentives: Say thank you to your employees by flying them charter or scheduled to any destination of your choice.
- Conferences & Exhibitions: Get your delegates to conferences worldwide.

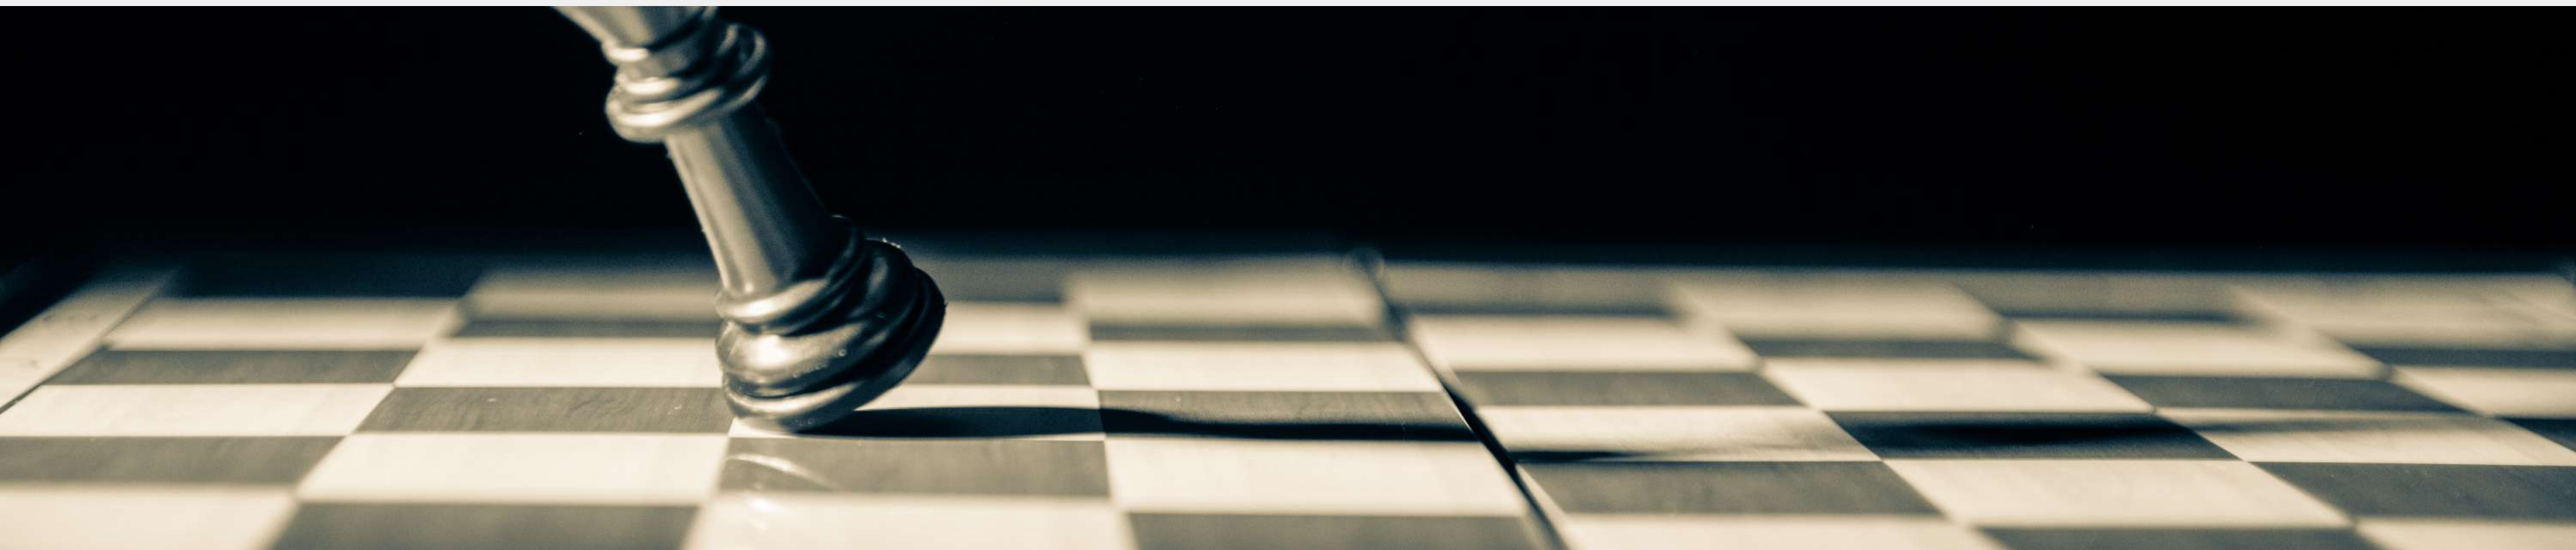

# **governments**

As your dedicated partner, we provide aircraft charter to support government projects including military, NGOs, diplomatic tours, political campaigns, evacuations and heads of state. We guarantee that your flights will be operated with discretion and safety as a priority.

- Private Jets and VIP Group Charter solutions for heads of state, diplomatic tours and political campaigns.
- Trusted by governments and corporate organizations to arrange aircraft for "go-now" evacuations for groups of any size.
- Planning, procuring and delivering of all kinds of military cargo and vehicles, operated by our experienced Freight team, using diplomatic channels to secure permits and special exemptions.
- Working with governments and military organizations globally, we move troops, passengers, equipment and dangerous goods into challenging locations.
- From Search & Rescue teams to emergency air and relief cargo, we provide NGOs with reliable aircraft charter solutions in time-sensitive situations.

# sports

51

Whether traveling to a tournament, sporting event, or flying a team of athletes, we offer a number of aircraft charter solutions to get you or your groups to any sporting event globally. You have access to private jets, helicopters, or group charter, whatever your requirements. Our team will work with you to ensure you are on time and match ready

- Teams: Our group charter flight services mean your teams can travel together discreetly and benefit from custom in-flight catering prepared with your nutritionist. Access a range of aircraft with VIP configuration and capacity for equipment.
- Supporters & Hospitality: We can book scheduled or charter flights to get your supporters to where they need to be.
- VIPs: We have access to a range of private jets enabling clubs to fly sports stars, directors, and sponsors in style for major sporting events and transfer deadlines across the globe.
